THE YOUNG AMBASSADORS

For more than 50 years, the BYU Young Ambassadors have shared staggering vocals and enchanting choreography around the globe, both live onstage and in televised performances. Since entering the world stage at Japan's Expo '70, the Young Ambassadors have performed in government palaces, orphanages, major concert halls, and hospitals in 68 countries. In 2024, the group was honored to perform in Xi'an as part of the US–China Culture and Arts Exchange. The year prior, the Young Ambassadors captivated sold-out crowds at the internationally renowned Edinburgh Festival Fringe in Scotland. The 26 student singers, dancers, and stage technicians deliver a fast-paced showcase inspired by American musical theatre, rock, and pop music. The Young Ambassadors group is produced by the Department of Dance in the College of Fine Arts and Communications at Brigham Young University in Provo, Utah, USA.
