The following information is provided to acquaint you with the technical requirements of Jazz Legacy Band. Any questions regarding these or other matters should be directed to the address listed below.

Please send the Performance Site Questionnaire, floor plan, and any additional facility information available to Performing Arts Management.

Load-in	Approximately one hour load-in and set-up time is required.
Performance Area	A minimum performance area 14' deep x 20' wide is requested.
Lighting	Sufficient lighting in order for 8 to 10 musicians and instruments to be well lit and visible to the audience
Piano	A well-tuned piano on stage, in the performance area
Sound	Six microphones, on stands, connected to a good PA system
Dressing Rooms	A room for changing clothes and warming up near the performing Area for 8 to 10 musicians.
Load-out	We require approximately 30 minutes for strike and load-out at the conclusion of the performance.
