Jazz Legacy Dixieland Band
Performing Arts Management
801-422-3576 | pam.byu.edu

The following information is provided to acquaint you with the technical requirements of Jazz Legacy. Any questions regarding these or other matters should be directed to the address listed below.

Load-in	Approximately one hour load-in and set-up time is required.
Performance Area	A minimum performance area 14' deep x 20' wide is requested.
Lighting	Sufficient lighting in order for 8B10 musicians and instruments to be well lit and visible to the audience.
Piano	A well-tuned piano on stage, in the performance area.
Sound	Six microphones, on stands, connected to a good PA system.
Dressing Rooms	A room for changing clothes and warming up near the performing area for 8 to 10 musicians.
Load-out	We require approximately 30 minutes for strike and load-out at the conclusion of the performance.

Please send the Performance Site Questionnaire, floor plan, and any additional facility information available to Performing Arts Management.
