## BALLROOM DANCE COMPANY

The internationally renowned BYU Ballroom Dance Company presents *Rhythm*, an infectious energetic show that engages audiences of all ages. The company's beautiful ballroom and rhythmical Latin dances are enhanced with artistic theatrical lighting and design.

Since its inception in 1970, the BYU Ballroom Dance Company has performed for millions of people in more than 35 countries. Highlights of the group's tours include a command performance for the queen of Thailand and extensive travel throughout China, Europe, and Russia. As United States and British formation champions, they have garnered a reputation for excellence and artistry, which has prompted Brian McDonald, president of the National Dance Council of America, to call the company "one of the ballroom world's greatest treasures."

The Ballroom Dance Company is produced by the Department of Dance in the College of Fine Arts and Communications at Brigham Young University.
